THE FREEDOM TO LEARN ABSOLUTELY FREE

AND YOUR FAMILY

FREE ONLINE LEARNING FOR YOU

"I would like to thank you for allowing me to continue my education even though I'm a 'part-timer' who works an average of 44 hours per week! Regardless of that, thanks to all the webCampus teachers and admin for making this possible. You guys and gals are really making a difference in our lives. My goal is to become a better person, and you have helped."

- Jerome Bos, UFCW Canada Local 401, Alberta; Critical Incident & Post Traumatic Stress Disorder

"This course should be part of high school history studies. It should be made into a great movie, after all it's based on a true story! Very well told and hard to stop reading. I felt so many emotions like their victories (yaaaa!), and almost cried at the senseless deaths. Wow, this was Canada? Although, I see some of these people in power now trying to "raise the dead" with some of their backward political tactics."

- Melody Stark, UFCW Canada Local 1400 member, Saskatchewan; Labour History Part 1

"Thank you UFCW for the opportunity you've given to all union members and our families to never stop learning. The course is very informative and beneficial for everyone, at whatever level. Whether you're doing it for a new job opportunity or just to upgrade your skills and knowledge, I feel EVERYONE should take advantage of this opportunity given to us from our union. Thank you again UFCW."
